2019 Research Foundation Teacher Grant Program

Grant Description
The Trustees of the NCTE Research Foundation support projects related to the teaching and learning of language, literacy, and culture.

Who Is Eligible
Proposals are invited from teachers of children and youth at any level, birth through grade 12. Teachers in urban, suburban, and rural settings are eligible.

Suggested Research Topics
The Trustees of the NCTE Research Foundation seek proposals that reflect the diverse interests of our NCTE membership, including but not limited to proposals focusing on better educating underrepresented populations, equity pedagogies, curriculum changes, and the effect these changes have on students, school policies, teaching methods, student interaction and learning, community literacy, home-school literacy relationships, after-school programs, student literacy practices in and out of school, and other relevant topics of study.

Funding and Timeline Parameters
Grants will be awarded for a period of up to one year and in the amount of up to $3,000 over the lifetime of the grant. Applicants must be members in good standing of NCTE at the time of the award. Applicants are limited to one grant submission in each funding cycle and will qualify for only one funded project every three years.

Deadline and Notification
Completed applications packages must be received by no later than October 1, 2019, 11:59 p.m. Central Time, and must be submitted electronically to researchfoundation@ncte.org. Notification of grant decisions will be announced by no later than December 31, 2019.

**Award Management Process**

**Disbursement of Funds**

Funding is disbursed in two phases:
(1) Upon approval of the proposal by the Research Foundation Board of Trustees, 80% of the grant is disbursed.

(2) The remaining 20% of the award will be disbursed after the satisfactory completion of interim requirements (see Interim Report, below).

**Budget Guidelines**

Grant recipients are asked to submit a proposal to the NCTE Annual Convention to present work funded by the Research Foundation. If your proposal is accepted, you may use a portion of your grant to pay for conference expenses. Please include this in your budget.

Research Foundation grant funds may not be used to pay for the following expenses:

- Commercial teaching materials
- Dissertation support
- Tuition expenses
- Indirect, overhead, or benefit costs
- Previously incurred expense related to the project
- Salaries
- Refreshments

**Reporting Requirements**

Grant awardees are required to complete Interim and Final Reports.

**Interim Report** (500-750 words)

The Interim Report should be written in response to the questions below. It must also include an updated budget summary.

- What have I done to date?
- What am I learning?
- What issues and problems have come up?
- What questions do I have at this point?
- Where do I need to go next?
- How has my thinking about this issue changed?

The remaining 20% of grant funds are disbursed upon a satisfactory fulfillment of the Interim Report requirement.

**Final Report** (500-750 words)

The Final Report should address the following points:

- Restatement of the research question
- Summary of findings
- Implications of findings
- New questions
