PERMISSION REQUEST

TO : __________________________________________ DATE: ____________________________

The National Council of Teachers of English, a not-for-profit professional organization, requests permission to reprint the following material from your publication:

Title: ______________________________________________________________

Author(s): ________________________________________________________________________________________

Date of Publication: _________________________________________________________________

Source: ___________________________________________________________________________________________

Use: _____________________________________________________________________________________________

A copy of the passage as it appears in the manuscript is enclosed.

We request permission to reprint this material in the forthcoming NCTE publication noted below, in both print and electronic editions:

Title: ______________________________________________________________

Author/Editor: _____________________________________________________________________________________

Tentative Publication Date: __________________

We request nonexclusive world rights in the English language for all editions. Should NCTE receive a request from another publisher to reprint all or any part of the licensed material, NCTE shall refer the requester to you, as copyright holder.
We appreciate your consideration of this request. Please return one copy of this form to the address noted below. A duplicate copy is enclosed for your files.

Sincerely,

(name)

(address)

(city, state, zip code)

Permission is hereby granted to reproduce the material requested above upon the terms and for the purpose indicated.

Signature: ________________________________ Date: ________________________________

Name: _____________________________________________

Address: ______________________________________________

Compensation:

The author, publication, publisher, and date of copyright will be cited in a credit line. Please indicate your preferred credit/copyright line: ____________________________________________________________

_______________________________________________________________________________________

_______________________________________________________________________________________

If you do not hold the copyright to the above-described material, or if additional permission is needed for world rights from another source, please so indicate below:

_______________________________________________________________________________________
